CHAMPAGNE

Laurent-Perrier Collection

	Glass	Bottle
Laurent-Perrier La Cuvée	13.5	75.0

La Cuvée is Laurent-Perrier's signature champagne, defining the House style with its characteristic lightness, freshness and elegance. With up to 55% Chardonnay and a minimum of four years ageing in the cellars, La Cuvée is delicate yet complex with crisp notes of citrus fruit and white flowers, and great length on the finish.

Laurent-Perrier Cuvée Rosé 16.0 95.0

Using the highest quality Pinot Noir grapes, this iconic rosé is one of the few rosé champagnes that is made by drawing the juice from black grapes in the vat, instead of blending red and white wines. This gives it the highly expressive bouquet and delicious raspberry and wild cherry flavours that have made it a benchmark for rosé champagnes around the world.

Laurent-Perrier Vintage 2006 18.0 110.0

Laurent-Perrier is highly selective and only produces a vintage in the very best years. Whilst staying true to the House style of freshness and elegance, the Vintage also aims to show the quintessential character of the individual year. With equal parts of Chardonnay and Pinot Noir, the blend is made from the most prestigious growths in Champagne and is bottle-aged in the Laurent-Perrier cellars for a minimum of seven years. The result is rich and rounded champagne with a silky finish.

Laurent-Perrier Ultra Brut 125.0

During the last century, The House of Laurent-Perrier was known for its "Grand Vin Sans Sucre". This is a totally natural champagne made without the addition of the sugar dosage found in most Champagnes. Now called 'Ultra Brut' this delicate champagne is still zero dosage and is essentially champagne in its purest form. Ultra Brut can only be made in years when the grapes are at optimum ripeness with a good balance of acidity and natural sugar.

Grand Siècle by Laurent-Perrier 230.0

To produce Laurent-Perrier's luxury cuvée, late family member and chairman Bernard de Nonancourt decided to concentrate on the two mainstays of Champagne's know-how: the blending of different crus (wines from separate villages) and the blending of different harvest years. The epitome of Champagne 'assemblage', the specific vintages in Grand Siècle are never revealed and are kept the secret of the Cellar Master.

Alexandra Rosé 2004, Laurent-Perrier 625.0

Bernard de Nonancourt took the opportunity of his elder daughter Alexandra's marriage in 1987 to create this rare vintage rosé champagne. Only hand sorted grapes from the very best plots are used in the blend which is then carefully aged for at least six years in the Laurent-Perrier cellars. Lively and crisp, this exclusive champagne is full-bodied

Laurent-Perrier Demi-Sec 80.0

Whilst displaying the elegance and freshness that is the signature of the House, the Demi-Sec is a softer style of champagne with a delicate sweetness coming from a slightly higher dosage. An ideal accompaniment to desserts and pastries, it is full-bodied, rich and generous with delicate aromas of dried fruits and toasted hazelnuts.
