## **Key West Kool at The Marker Resort**

There is nothing like a Key West summer, so with that in mind, The Marker Waterfront Resort has announced new creative on-property programming to continue to bring a heightened experience for their leisure guests as well as Key West locals. The 96-room hotel is working with local artists and businesses such as The Studios of Key West and Key West Aloe to create monthly interactive and educational events for all ages.

The festivities kick-off on Wednesday, April 27 at 8:30 pm with The Marker's Marker Movies featuring a poolside screening of Cameron Crowe's modern classic *Almost Famous*. The activities continue on April 28 at 5 pm with the inaugural Art Night at The Marker in collaboration with local art studio, The Studios of Key West. This first art event will feature a paint night, but in the months ahead, the activity will be switched up to allow guests to try their hand at other art forms.

On April 29 from 2 pm to 5 pm, The Marker is joining forces with local skincare company, Key West Aloe, to create a Sunscreen Pop-Up celebration that will offer a selection of sun-protection and other products for guests to enjoy along with prize giveaways.

Resort guests and locals alike can sample themed lite bites and cocktails by new Executive Chef Gerald Crocker while enjoying a variety of entertainment under the sun and beyond sunset. These monthly activations will continue all summer with new themes and partners.

The Marker Waterfront Resort ([www.themarkerkeywest.com](http://www.themarkerkeywest.com)) is located on the edge of the Key West Historic Seaport, amid the best dining, attractions and sightseeing the legendary island has to offer. The resort pays homage to the region's rich history while embracing a modern and timeless design that illustrates the essence of barefoot, tropical luxury. In addition to The Marker's 96 guest rooms, the property features an eclectic dining concept (Cero Bodega,) lush tropical landscaping, multiple swimming pools and poolside cocktail service as well as on-site parking and waterfront views.
