PACIFIC EDGE HOTEL   
ON LAGUNA BEACH

## **WORK, PLAY, OR JUST GET AWAY AT THE BUNGALOWS AT PACIFIC EDGE HOTEL.**

Let us cater to your every need, and retreat to the Bungalows for a fully catered day at the beach. Sip a drink, jump in the water, or relax in the shade of your private Bungalow on the beach. Each Bungalow is designed by one of five local brands featuring Billabong, Fox Racing, Sailor Jerry, Gorjana, and XS. The indoor private living room includes couch & seating area, flat screen TV, blue tooth speaker, air conditioner, full bathroom, and stocked n/a mini bar. The outdoor deck space includes lounge furniture and umbrellas. These oceanfront daytime spaces offer the most unique beachfront experience.

Along with stunning interior décor, each Bungalow includes a comfortable living room that overlooks the ocean, a VIP Bungalow Host, a private bathroom with shower, bar area, valet parking, catered food & beverages, and a private deck area. Rent one Bungalow for up to ten guests, or reserve all five for a fun and casual oceanfront event.

## BILLABONG BUNGALOW

A surfer's paradise in Laguna Beach. Founded in 1973, Billabong has become an international brand known for its surf, skate, snow, and wakeboarding apparel. Guests can relax in this laid-back Bungalow with a soothing color palette of ocean blues and sunset oranges with reclaimed wood accents and surreal surfing artwork practically riding the walls.

## FOX RACING BUNGALOW

This ultimate man cave was designed by the most popular motocross apparel brand in the world today, FOX HEAD, INC. Building their business by developing clothing for the high-intensity, physically demanding sport, the brand expanded into surfing and snowboarding in 2006 and has been an ongoing fan of the PEH. This dark and masculine Bungalow boasts classic leather couches, animal skin rugs, and black and white photography for the ultimate biker-boy experience.

## SAILOR JERRY BUNGALOW

Designed by California native Erin King, the Sailor Jerry Bungalow perfectly marries island-tiki influence with mid-century modern design. This unique Bungalow escape brings island past into beach present, featuring a replica 1960s pinball machine, art that pays homage to Norman ‘Sailor Jerry’ Collins, father of the old-school tattoo, and a tiki bar for libations before hitting the private beach.

## GORJANA BUNGALOW

West coast casual meets east coast polish in the Gorjana Bungalow. Founded in 2004, Gorjana is a local Laguna Beach lifestyle brand that has developed into a global accessories company, known for its fashionable, socially conscious, and high quality jewelry for men and women. This modern yet comfortable setting mixes playful nautical elements with contemporary furnishings in the design aesthetic inherent in the Gorjana name.

## XS BUNGALOW

The Bungalows at Pacific Edge Hotel just got a blast of energy: XS. The new XS beachside private Bungalow — also known as the XS Center for Optimal Fun (COF) — is a disco/tiki bungalow designed to deliver on the brand's promise of adventure and opportunity, while energizing your body and mind. What better place to recharge than in a Bungalow overlooking the ocean, just steps from the hotel's private beach?
