

Afternoon Tea

Afternoon Tea at Taj Boston has been a tradition since the hotel's opening in 1927. Generations of Bostonians and travelers, alike have enjoyed this elegant ritual in these gracious surroundings.

Tea is a luxurious respite from the bustle of modern life, a return to a gentler era. It is truly a memorable experience.

And while it is often a celebration of life's milestones, Tea is a relaxation to be appreciated every day.

To compliment the surroundings of The Lounge, the Tea is served on fine china, decorated in the most delicate patterns.

Every detail of the service and its presentation has been attended to with the utmost care to ensure that each experience here becomes a treasured memory.

"There are few hours in life more agreeable than the hour dedicated to the ceremony known as afternoon tea."

-HENRY JAMES
