A NOVEL TWIST ON THE CLASSIC AFTERNOON TEA, MY DEAR WATSON!

The Sherlock Holmes Afternoon Tea showcases a mystifying selection of culinary rarities, inspired by the puzzling narrative of the nation's favourite sleuth, Sherlock Holmes.

A most gentlemanly affair, paired with a selection of craft ales and whiskeys or to be enjoyed with the latest of the 'Classic Cocktails, Reinvented', where the Old Fashioned has been reimagined with a Sherlock Holmes twist to become Elementary, By Taj.

THE HOUND OF THE BASKERVILLES & THE SECOND STAIN

The 'English Classics, Reinvented' series gives literary classics a new lease of life as St. James' Court, A Taj Hotel partners with exciting contemporary British artists to reimagine a selection of limited edition cover designs for the UK's best-loved classics.

Sherlock Holmes is the inspiration behind the third initiative in the award-winning 'English Classics, Reinvented' campaign. This special limited edition of two of the nation's favourite Sherlock Holmes mysteries includes *The Hound of the Baskervilles* and *The Second Stain*, set in the very heart of Westminster.

Those looking for a memento or exclusive gift can also acquire their very own hardback copies of the books for £12 each or £30 for the full collection.
