NEW RETREATS TO THE FORE

Almost 130 years after its inception, **Casa Ma-drona Hotel & Spa** in Sausalito, Calif. (below), has undergone a top-to-bottom renovation. This includes the new, exquisite 5,000-square-foot Alexandrite Suite—with its 1,500-square-foot deck, a perfect venue for executive entertaining—and the 1,700-square-foot, state-of-the-art Junto meeting and event space, featuring expansive views of the San Francisco skyline.
