## **Drone at Madrona**

The Casa Madrona resort recently launched a new type of room service, champagne delivered to your suite by computer-controlled drone. The drone delivery, which debuted at the grand opening of the hotel's Mansion suite last week, is included in the room rate of \$25,000 per night.

That gets you a beautifully restored Victorian-era mansion in the hills

above the hotel that sleeps up to 24 and includes a swarm of staff to cater to your needs.

Casa Madrona is at 801 Bridgeway in Sausalito. For information about reserving the mansion, call 332-0502.
